BEYCEPS 2-Piece Set

Order-No.: BEY23-SET

MSRP € 209,00*

***plus applicable VAT**

One-handed lifting tool BEYCEPS BEY23

- Lifting force up to 1,800 N / 180 kg / 400 lbs
- For millimetre-precise, gentle and safe lifting (up to 8 mm per pump handle operation), lowering (up to 4 mm per lowering lever operation) and alignment of workpieces with just one hand
- Ergonomic and safe handling, as the pump handle made of two-component plastic is positioned on the top, with the two levers for fine lowering and release arranged separately underneath
- Enclosed plastic housing protects the mechanism from dust, dirt and chips and prevents fingers from getting caught
- Can be converted without the use of tools for clamping
- Protective caps for the stand and lifting plate – included in the scope of delivery – prevent damage to delicate surfaces
- CE marking
