EZ360 Promotional Set

Order no.: EZ360M-EZ360-SET

Only: € 79,90*

*plus VAT. Delivery while stocks last!

One-handed clamp with rotating handle EZ360

- Innovative 360° rotation mechanism allows the handle unit to be positioned anywhere around the rail
- 12-step ratchet mechanism for secure holding of the selected grip position
- Large clamping surfaces with removable protective caps
- Can be converted for spreading – without the use of tools thanks to a simple release mechanism with a push button on the upper section
- One-handed operation without effort
